## About

I am Behnaz Aghapour Maleki, a passionate and dedicated Fashion Designer and Pattern Maker with over five years of experience in the fashion industry. My journey in fashion has been driven by an unwavering commitment to creativity, innovation, and excellence. With a strong foundation in fashion illustration, trend forecasting, and textile design, I have developed a versatile skill set that allows me to bring unique and compelling designs to life. I am proficient in using industry-standard software such as Adobe Photoshop and Corel Draw, as well as AI-powered tools for fashion designing, which enable me to transform creative ideas into tangible fashion pieces efficiently.
