About

I strive to be a diligent, energetic individual. I can get a job/project done meeting deadlines with maximum quality and efficiency. One of my extracurricular activities include competitive 11- aside football which requires a high level of physical fitness and resilience . Due to the fast paced nature of the sport, i am also able to deal with situations under pressure swiftly and effectively , i have improved in effective communication as a result of team organisation. As well as this, i am also a Hardworking garden labourer able to maintain the overall neatness of the clients gardens. I am reliable in following through with assignments and completing physically-demanding work without complaint. I can also Follow orders and safety standards and readily helps team members when required.
