About

Financial and Merchandise Planning | Analytics | Inventory Management | Team Leadership

I am a highly motivated and proactive professional with a wealth of experience and in-depth knowledge of all aspects of financial and commercial planning, range and inventory management, open to buy planning and data analytics. I have a proven track record of business success across fast-paced, multi-channel businesses and have demonstrated strong leadership and stakeholder management skills and the ability to work collaboratively and cross-functionally in a matrix organization at a time of rapid growth. I have strong analytical skills with great attention to detail with the ability to visualise and present a holistic view of the business
