## About

Dedicated and detail-oriented professional with a background as an Assistant Product Development Merchandiser, adept at managing the end-to-end product development process for leading buyers such as H&M, M&S, and Gap. Currently pursuing an MA in International Business in London, I am seeking a part-time role that leverages my expertise in buyer communication, material sourcing, and sample development. Eager to contribute my skills and industry knowledge in a dynamic work environment while gaining practical insights to complement my academic pursuits.

### BRANDS WORKED WITH

- Apex Holdings
- Gap
- H&M
- Marks and Spencer
- Nayomi Clothing
