Experience

● Sales assistant

Polarn O. Pryet | Sep 2022 - Mar 2023

While working at Polarn, I recommended merchandise based on customer needs, explained information about the quality, value and style of products to influence customers buying decisions whilst regularly replenishing floor stock. I also spent a lot of time ensuring the shop's displays were eye-catching and attractive to customers, which taught me the importance of presentation. I routinely cleaned the store, fitting rooms and till and kept them organized and presentable for customers. I hugely also developed my money handling skills and now feel fully comfortable when dealing with money in stressful and busy situations.

● Sales assistant

Oxfam charity store | Jan 2020 - Jan 2021

While volunteering at Oxfam, I massively improved my confidence and communication when put in challenging scenarios.
