## About

Design director and leather goods artisan, founder of a Parisian studio since 2015  
My clients include Études Studio, Nehera, QASIMI and others.  
My approach to design and craft combines the practical and traditional heritage of  
saddlery with modernity.  
I have been awarded the ANDAM fashion prize in 2021.

The services offered by the studio are:

- . Design
- . Creating a mock-up
- . Creating a prototype
- . Drawing up technical data sheets
- . Production of the pilot series and testing
- . Production launch
- . Production monitoring
