## About

My name is Tamia Grant and I am a very outgoing genial individual who is able to easily adapt and socialise with others . As well as having good communication skills i'm very attentive when it comes to detail and i am also a responsible person. I take pride and strive in anything i want to be successful in whether it is a simple work task or meeting deadlines. I highly believe that due to me having relevant skills and enthusiasm regarding the work industry that i will be able to bring positive attitude commit to any given tasks set. i'll be able to be loyal and respectful to my colleagues and be willing to learn and grow with the company .
