## About

---

From a very young age i was involved with Art, i was so fascinated how anyone can unlock infinite possibilities for creation using imagination and creativity. I studied Fine arts and graphic design, and from the age of 16 i got involved with Fashion.

Quickly my career had been escalated to promotion after promotion and now im working in Fashion industry for over 19 years having experienced multiple sectors within such as:

- sales
- management
- recruitment
- training
- buying
- visual merchandise
- window dressing
- tailoring
- private shopping
- private styling
- wardrobe management
- alterations

So ideally im looking for a new challenge in my life's path right now to get me out from my comfort zone and achieve new goals.
