House Prince of Wales- Greene King Pub

Experience

● Researcher

Food Health and Safety Dubai Municipality | Aug 2023 - Oct 2023

- Conducted extensive data collection and analysis using qualitative and quantitative methods.
- Assisted in the creation of a national survey on food behavior and contributed to the development of UAE food and health safety guidelines.
- Conducted interviews to gather critical insights for research purposes.
- Collaborated closely in a small team, emphasizing effective communication and teamwork.
- Played a key role in the creation of a website promoting healthy food habits.

● of

House Prince of Wales- Greene King Pub | Jan 2023 - May 2023

- Constantly hit high sales targets that went above and beyond the given sales targets and were rewarded with a bonus as we had gone beyond the area managers' expectations.
- Maintained understanding of menu items to answer customer questions regarding food, drinks and preparation methods and made sure to meet every request from the customers to build a good customer relationship.
- Help assess bar inventory and complete requisition sheets to restock supplies.
- Oversaw bar recordkeeping and stocktaking for organised and profitable operations.
- Performed bar closing duties, thoroughly cleaning, sanitising and replenishing stock.

● / Theatre

Host Prince Edward Theatre (Delfont Mackintosh) | Dec 2022 - Sep 2023

- Guiding patrons to their seats, answering questions, and selling merchandise.
- Achieved sales records by promoting and selling ice creams, programmes, and brochures during intervals and before the show.
- Developed strong communication skills by providing excellent customer service and enhancing the overall theater experience for patrons.
- Managed daily tasks efficiently, enhancing time management skills.

Education & Training

2021 - 2024

● University College London

Bachelor of Science in Anthropology,
