About

With proven expertise as a Clarins Skincare Consultant, I excel in skin assessments, product recommendations, and inventory management. Proficient in using digital tools for consultations, I ensure high sanitation standards while boosting sales through effective cross-selling and stock replenishment.

Experience

Skincare Advisor

Clarins | Dec 2022 - May 2023

Adhering and booking appointments in a timely manner by monitoring time schedule. Interviewing clients to obtain information about contraindications, and examining skin to evaluate the suitability of treatments whilst using the skincare tool on the Clarins app to accurately get an understanding of clients skincare needs whilst cross-selling recommended products. Advising clients on skincare and recommending suitable treatments and home care regimens. Sterilizing equipment and ensuring work areas are clean and sanitary. Replenished stock to allow efficiency, accuracy and smoothness through sales.
