About

Dear Mr. / Mrs.:

I'm Writing to express my interest to apply for the position that you have available in your company and posted online.
After going through your list of specifications, I'm confident about my application since I possess the skills and knowledge that you requary / need.
With my type of "Training" and "Experience" I have been equipped with knowledge concerning the « Fashion Industry », men and women, for several product families mainly for the « High End » and « Luxury » for the local and international markets.
Moreover working with all kinds of « Fashion Professionals » from the trend research, true the collection development and even production has influenced me to hone my skills and professionally in all the aspects.
With my skills, knowledge, and extensive work experience, I believe that I can contribute to the development of your company in my area of expertise.
I'm excited to put my profession into practice in your well- established company.
You can refer to my resume and attached Portfolios to review my skills, accom- plishments, work experience and educational attainment.
If you wish to speak with me, I'm available at any time from Mondays to Fridays.
You can reach me through the contact information that I have provide Below and in my C.V.
I will be looking to your call or email.
Thank you very much for your time.
Respectfully ;

Name: Paulo Pereira
