## About

Hi I'm Nadia I'm interested in art specially with jewelry and I try to be a designer

BRANDS WORKED WITH

BANAFSHE HEMATI BRAND

KIDO KIDS CLUB

## Experience

### Teacher

KIDO KIDS CLUB | Mar 2024 - May 2024

For about six months, I gave children between the ages of four and seven to teach them the old skills of school, we worked together in painting and pottery, and we worked in English. Huge and serious responsibility for 12 kids every day . Experiencing a sweet and difficult job as a teacher. Teaching and learning new things to teach children new skills.

### JEWELLERY SELLER

BANAFSHE HEMATI BRAND | Jan 2022 - Jan 2022

I have been training for 4 months in Banafsheh Hemati Brand Because I wanted to become more familiar with the sale of gold and jewelry, and to see how people react to a creative work. I learned how to showcase the showcase. I learned how to calculate the weight and the price of gold. learned to defend the idea as a salesman and a designer and present it to the client. I also learned how to care for stones and jewels.
