## About

Co-Founder of the luxury global fashion brand SAINT E, a modern label using exciting fabrics and fearless designs. I am responsible for designing the collections and creating the style, story and brand of SAINT E.

With 6 years of experience in the fashion industry, my passion for fashion design is driven by creativity, innovation, and style. I have honed my skills in various areas of fashion design, including creative direction, styling, art direction, photoshoot preparation, direction and styling.

As a fashion designer, I have developed a unique artistic vision that is expressed through my designs. I pride myself on my ability to create original and innovative designs that are not only fashion-forward but also timeless. My expertise in developing mood boards is crucial to bringing my vision to life, and I am meticulous in preparing and directing photo shoots that showcase my designs in the best possible light and able to combine different styles and materials seamlessly is one of my greatest strengths as a fashion designer. I believe that fashion should be challenging yet elegant, and I strive to achieve this balance in all my designs and collections. In addition to my fashion design skills, a critical perspective for detail is present. Enjoyment is found in collaborating with creative teams to achieve stunning results, with exceptional taste and ability to bring projects to life highly valued. Overall, I am a passionate and skilled fashion designer with a flair for creativity and innovation. My passion for fashion and my dedication to my craft make me a valuable asset to any fashion and design project, and I am excited to continue to grow and develop my skills in the industry.
