About

With proven experience in high street and luxury retail, I've honed my skills across various departments from menswear at Harrods to womenswear at Primark. My adaptability, time management, and exceptional customer service make me an asset for any temporary sales role.

Experience

● Retail Assistant

Primark | Jul 2023 - Sep 2023

I acquired the role of a retail assistant at Primark during the summer and worked in the womenswear department. This branch of the store was much larger than the last and more busy, so it helped me build my time management whilst building my organisational skills.

● Sales Assistant

Primark East-Ham | Aug 2022 - Sep 2022

I worked at Primark in the childrenswear department. This has solidified the skills I've acquired from the other jobs I have listed.

● Sales Consultant

Harrods | Jun 2022 - Aug 2022

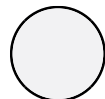

I worked as a temporary sales consultant at Harrods in the Men's contemporary fashion department. This has given me transferable skills that I can apply in any job I pursue and helped me hone the skills I already acquired from previous roles, especially because it is a luxury department store.

● Retail and Hospitality

Profiles | Dec 2020 - Jan 2022

I have worked at this agency for more than a year. It has given me experience in restaurant and food kiosk hospitality. I helped with restocking merchandise, serving food and closing. This has provided me with many skills that I have listed below.

● Retail Assistant

Debenhams | Feb 2020 - Nov 2020

I worked at Debenhams for eight months whilst I was in sixth form. It helped me with my time management skills as I was balancing playing academy level Netball, three A-levels and a part-time job. There were many other skills I acquired whilst working there and still use in other aspects of my life.
