About

With a robust background in customer-facing roles, I excel in fast-paced environments and deliver excellent service. My retail skills include efficient order preparation, stock control, and adept handling of transactions, further enhanced by my experience at Ocado warehouse and Wetherspoons.

BRANDS WORKED WITH

- Aurora Worldwide
- McDonald's
- Ocado warehouse
- Veolia
- Wetherspoons

Experience

● Freezer picker/packer

Ocado warehouse | Sep 2023 - Now

using a 70kg trolley containing 9 baskets my job is to go around the freezer with a RF gun on my wrist which we use to scan the item then scan the correct basket for the customer until all tasks/items are picked , then we leave the freezer empty the loaded baskets and repeat.

● Bar staff

Wetherspoons | Jan 2019 - Aug 2023

I would serve alcohol to the public ensuring they are of age and being responsible for food orders and toilet checks every hour ensuring the hygiene quality recommended is being met, we also had a bonus scheme the quicker you clear the order screen the more money we would earn.

● Customer sales assistant

Aurora Worldwide | Dec 2016 - Dec 2018

Aurora worldwide is a door to door company which pays on commission, I would be assigned to different areas daily knocking door to door of people and persuading them to donate for charity's monthly using the training template we was taught.

● Team member

McDonald's | Jun 2015 - Jan 2016

I worked in the kitchen preparing food at an efficient speed to serve customers in a very fast paced environment. I'm a team player and I tend to do the task people shy dashene from for example dive , if your doing dive in short words your responsible for the washing up of all utensils and equipment after the shift.

● Warehouse operative

Veolia | Jan 2015 - May 2015

Waste recycling centre, it was every simple I worked in a small room with piles of rubbish passing thru where I had to sort them in the correct piles to be recycled for example there was a pile for metals, a pile for contaminants, plastics etc...

Education & Training

2016 - 2017
