About

With a foundation in engineering and business, I excel in process improvement and strategic decision-making. My event management experience has sharpened my adaptability and communication, vital for thriving in premium retail environments.

BRANDS WORKED WITH

Moorhouse

MotorOctane

NMIMS MPSTME

The Pump Room

Experience

● Student Consultant

Moorhouse | Jun 2023 - Aug 2023

● Consultant Intern

MotorOctane | May 2022 - Jun 2022

My responsibilities and achievements included:

- Process improvement: I formulated an effective way of scheduling consulting calls and texts.
- Business development: After analysing performance data, suggested changes to website and the way consultation texts are handled and also helped create engaging creative social media posts.
- Market research and competitor analysis: to support and inform strategic decisions.

● Volunteer

NMIMS MPSTME | Jan 2018 - Jan 2022

organizing events in our university.

- Artist & Guest Management: Booked artists for our flagship events and was the most successful volunteer.
- Logistics: Cost efficient and quality logistics and procurement of the required inventory was handled by the team.
- Admin & Logistics: Organized webinars, conferences, and debates for mechanical & mechatronics engineers. This unique opportunity gave me a useful experience in interpersonal communication, deepened my insight into event management, people management and strengthened my learning capacity and adaptability.

Education & Training

2022 - 2023

● University of Bath

Master of Science in Management,

2018 - 2022

● NMIMS MPSTME

B.Tech in Mechanical Engineering,
