## Experience

### ● Retail Assistant

TK Maxx | Apr 2021 - Dec 2022

I was responsible for being at the cash register when the store got busy. I was trained to stock in all sections including jewellery, body & and bath and clothes. I was also responsible for closing the cash box at the end of the day. I was awarded Sales Associate of the Month because of my hospitality towards the customers and my proactivity in delivering the best service. I was also awarded as the treasure champion of the month as I signed up more than 200 customers on the card of the brand.

### ● Associate

PNG Jewellers | Mar 2019 - Jan 2020

I was responsible for showing customers the latest pieces of collections and also helping them choose their jewellery based on the occasion. I was also responsible for opening the cash register. I was also responsible for organising stock and cleaning the area around it.
