About

Dynamic and experienced professional in the Retail sector.
I have 5 years of experience managing teams and optimizing store operations.

Passionate about people and driven by excellence, I have developed solid expertise in supervising and managing teams of 20 client advisors with more than 30 brands.

I implemented strategies that allowed us to optimize sales and stocks, customers satisfaction and clienteling, team results, communication and integration.

My customer and results-centered approach, as well as my ability to motivate the team, allowed us to guarantee high performance and optimal customer satisfaction while maintaining a lasting and fruitful relationship through clienteling.

Always on the lookout for new trends and best practices, I am determined to contribute to the success of your business.
