About

An extremely focussed, determined and self driven Assistant/attendant with an exact eye and attention to detail. Able to follow plans rules, instructions, procedures and regulatory policies precisely. Extremely comfortable with people management and able to interact professionally and effectively with management, colleagues, and clients. Good interpersonal and communication skills both written and oral for variety of audiences. Punctual, consistent and hardworking, happy to work alone or as part of a team to achieve results. Excellent organisational skills and able to comfortably multi-task.
