About

I am an ambitious and dedicated 18-year-old student with a strong work ethic and a passion for learning. I have prior experience as a class assistant and a waiter, which has helped me improve my communication, teamwork, and time management abilities. My experience in these professions has given me the ability to efficiently multitask in fast-paced circumstances while remaining positive. I am eager to put my skills to use and contribute to a dynamic team while still furthering my education.
