## Experience

### ● Illustrator and Graphic designer

Thinkwild Studios | Nov 2020 - Now

- Turn ideas into tangible designs and illustrations with the versatility of working in multiple styles, ranging from realistic to stylised.
- Create sketches, storyboards and high-delity illustrations.
- Develop concept arts of characters and environments for animation and motion graphics videos.
- Generate inspirational presentations and design assets.
- Branding: create a brand's corporate identity manual and design logos.
