## About

I am an energetic individual with strong customer service skills and experience in fast-paced environments. I excel at clear communication, ensuring smooth operations on the shop floor, and adapting quickly to different retail tasks.

### BRANDS WORKED WITH

Showcase Cinemas

## Experience

### ● Stand assistant

Showcase Cinemas | Apr 2023 - Jan 2024

Creating a unforgettable and best possible film experience for all guests. The role I played was serving the best refreshments and tasty snacks to ensure that great experience ensuring excellent hospitality. Things I learnt was how to remain calm in stressful situations and work in fast paced environments with clear communication with your whole team.

### ● DITTLE FARM YARD

dittle farm yard | Jan 2020 - Jan 2020

This is something I did for my mum as we own horses. I would go and help out where necessary with mucking out and keeping things clean, ensuring the horses I cared for had fresh water and when needed full hay nets, alongside bringing the horses I cared for to and from the fields and stables when needed. Things I learnt from this was that shouting doesn't get you anywhere but to remain calm and collected is the best approach to a problem even in the most unexpected situations. I also learnt about communicating effectively and how to take charge in situations building on my leadership skills.
