## About

Hello! My name is Mejsi Kamberi and I'm very excited to start this new journey at Dweet. I'm interested in sharing my creativity with different people, learning from them, and overall getting a better understanding of how the fashion industry works hands-on.

The first thing you should know about me is I'm very confident in myself and I don't give up easily.

### BRANDS WORKED WITH

Boom Battle Bar O2

Private Neurological Clinic of Entela Isaraj

Sense Aroma

## Experience

### ● Receptionist

Boom Battle Bar O2 | Nov 2022 - Feb 2023

I was responsible for overseeing operations of the reception area with or without supervision; consistently met KPIs for customers throughout by 98%. At the same time I worked on facilitating games of axe throwing with 0 health code violations & ensured customer safety with 100% effectiveness. I worked efficiently and in collaboration with colleagues by helping out bar staff close and maintain the cleanliness of the venue, meeting the target of a 95% customer satisfaction rate.

### ● Salesperson

Sense Aroma | Oct 2021 - Jul 2022

I was in control of organizing the shop regularly with the manager to increase customer experience, resulting in sales 12% higher than company-set goals. During this time I managed customers & addressed issues promptly, improving return rate by 20%. I was responsible for closing shifts and maintaining cleaning, by successfully increasing store efficiency by 20%.

### ● Secretary Assistant

Private Neurological Clinic of Entela Isaraj | Jun 2021 - Aug 2021

I was in charge of assisting patients in ensuring their appointment times, test results, and prescriptions are all set before they appoint the doctor. Organized EEG machines and scalps electrodes sensors for up to 30 patients daily, resulting in a prepared clinic to start and end the day efficiently. I would successfully input data for about 25-30 patients daily into Excel; reduced manual errors by 40%.
