Experience

● SALES ASSISTANT

Marks and Spencer | Sep 2021 - Jul 2022

At Marks & Spencer I was stationed at the men's section of the store and tasked with helping customers out as well as keeping the area tidy and presentable. I would actively approach customers and ask if they required any assistance. During my time here I developed my sales skills through the active approach I took, making me confident and reliable in dealing with customers face to face. – reference available
