## About

Started online in 1999 at a startup in London selling ad space, designing and building animated banner ads, selling SEO and optimizing websites. Have since worked in both agencies and client side, primarily on search marketing (PPC & SEO) with social media now a growing part of that mix. Founded Red Mud Media in 2008 a digital marketing company and have grown the business every year. Clients have included Travelzoo, Tesco, Universal Music, Travelocity, Mercedes Benz, Travel Indochina, Fliptop and JustGiving.com Moved to Silicon Valley in 2011 for 18 months and returned to the UK in 2012. Love startups, driving traffic and increasing conversion rates. Specialties: SEO, PPC, Social Media, Inbound Marketing, Link Building, Content Strategies
