About

I have the technical experience and transferable skills that make assimilating to new territory relatively easy. I have a vested interest in silhouettes and basic styling too which could prove useful in upselling products. I look forward to hearing from you.

BRANDS WORKED WITH

- Amadeus (Resorts World Arena)
- Foot Locker
- Levi Strauss
- Manuella Asantewaa

Experience

● Distribution Manager

Manuella Asantewaa | Jan 2023 - Now

- Coordinate the movement of pieces from manufacturers and designers to points of loan/sale.
- Maintain relationships with musicians and distributors to ensure a consistent supply chain that aligns with the team's objectives.
- Regularly devise concepts for campaign briefs and establish schedules independently, with contributions in music production

● Record Engineer

| Feb 2017 - Now

- Collaborated with artists to actualise high quality music recordings, with contributions in vocals, piano and songwriting.
- Managed effective communication between artists, engineers and A&Rs to meet project deadlines and ensure best execution.
- Developed a genuine network of musicians, producers and industry professionals to provide the best input and guidance.

● Stylist

Levi Strauss | Jan 2022 - May 2023

- Regulated a small team of stylists to meet sales targets of £10,000 and above, in accordance with proposed KPIs.
- Apply a cultivated attention to detail to maintaining visual merchandising standards and boost customer satisfaction.

● Event Assistant

Amadeus (Resorts World Arena) | Jan 2018 - Oct 2019

- Worked closely with performers, management and staff to ensure alignment with KPIs while monitoring progress metrics to ensure desired outcomes were consistently achieved.
- Admin tasks such as greeting clientele and completing the relevant procedural documentation around the concert.

● Stock Associate

Foot Locker | Oct 2019 - Aug 2021

- Leveraged detailed product knowledge and kept up with relevant trends to deliver effective customer service and successfully upsell, meeting sales targets.
- Maintained daily stock levels to consistently keep the store well-stocked in accordance with KPIs, meeting customer needs.
