## About

With hands-on experience running Tabitha Kent Designs, I've developed strong skills in product management and customer service. My background as a waitress has honed my resilience and ability to excel in fast-paced retail environments.

### BRANDS WORKED WITH

University of the Arts London

Harvester

## Experience

- **jewellery designer**

| Jan 2020 - Jan 2021

- **Sales assistant in a jewellery pop up shop**

University of the Arts London | Jan 2024 - Jan 2024

I sold jewellery in a pop up shop outside central saint martins university, creating and setting up the stalls display to entice customers, dealing with taking cash payments and developing receipts and using communication techniques with the public to encourage sales.

- **Waitress**

Harvester | Mar 2022 - Mar 2023

Handling busy long hours catering for multiple tables by taking orders, making drinks, distributing food and drink, taking payments and ensuring that the customer is satisfied with their overall experience I acquired a resilient, hardworking, sociable and positive mindset that helped drive the business forward.

## Education & Training

- **The BRIT school for Performing Arts**

UAL level 3 extended diploma in art and design,

- **Camberwell College of the Arts**

UAL Foundation diploma in art and design,

- **Dunraven Secondary School**

10 GCSES,
