## About

I am a dedicated worker with strong customer communication skills, quickly adapting to new retail environments. My experience in greeting, complaint handling, and store maintenance makes me an asset for dynamic retail settings.

## Experience

### ● Teacher Assistant

East London | May 2023 - May 2023

I had work experience in the first week of May. I believe that this was an opportunity that would be beneficial for me as I would be able to gain hands-on experience in the field of teaching and learn from current teachers. This would give me valuable insight into the work life and help me to make informed decisions about my future career path. I achieved great things working in Eastbury and was helpful to the people around me as I managed to take care of kids in younger years and kids with special needs that I learnt to take care of.

## Education & Training

2019 - 2024

### ● The Brittons Academy
