About

I am an accessories (leather goods, footwear and jewelry) designer from Italy based in Paris.

I'm a collector of emotions who goes with the flow continuously attracted by newness.

Having grown up with shoes in Florence, alongside a business my grandfather had founded post-WWII, I'm no stranger to the industry. After years of work in the luxury sector, I've learned how to combine my background and know-how of Florentine craftsmanship with today's fashion demands.
