About

I have a great work ethic, am a dedicated person, and have the desire to achieve. I seek new life experiences and opportunities to broaden my knowledge and skills. I can work both as part of a team and independently, while being flexible and getting along well with others. I excel at working to tight deadlines and have strong problem-solving abilities. I have achieved my Level 2 and Level 3 Diploma in Photography in the first year at Colchester Institute. Recently, I completed my Level 3 Extended Diploma and I am now eager to explore my options in the workplace. I enjoy expanding my knowledge and skills in portrait photography, Photoshop, and Lightroom editing. I take pride in my composition and the thought process behind each photo. As a portrait photographer, my key skills include effective communication, creating flattering lighting setups, directing and posing clients, framing and composition, technical proficiency, building rapport, attention to detail, post-processing expertise, business management, and continuous learning. I can contribute value to any company by producing top-quality imagery and adapting to various team situations. The high standard of my coursework and grades serves as evidence of my capabilities.

BRANDS WORKED WITH

Havens Hospices

JD Sports

Lindsay Wakelin Photogrpahy

Experience

Sales assistant

JD Sports | Sep 2021 - Feb 2022

My role as a Sales Assistant was to:

Drive sales, ensuring that targets are achieved and, where possible, exceeded. Ensure that customers receive the best possible service every time that they enter the store. Keep stock, clean and presentable at all times. Provide alternatives and add on sales at every opportunity.

Studio Assistant

Lindsay Wakelin Photogrpahy | Jun 2021 - Jul 2021

My role as a Studio Assistant was to:

Setting up lighting for shoots. Maintaining studio equipment. Setup the color calibration for each shoot. Adjusting the subjects for each shoot.

E-commerce volunteer

Havens Hospices | Jul 2019 - Mar 2019

My role as an E-commerce Volunteer was to:

Take photographs of the products. Research prices of items. Upload the photos and create eBay listings. Take the boxes to the post office.
