Experience

- **Seasonal Sales Assistant**

Card Factory | Oct 2023 - Dec 2023

In this role I operated a till efficiently serving customers, restocked racks and organised displays in a fast-pace and busy environment. I was always available to customers to answer and resolve their queries and problems, providing good customer service. I also kept the store tidy during shifts and cleaned at the end of the day, making sure the store was ready for the next day.
