About

I excelled in customer transactions and communication at DC peri Peri, showcasing adaptability in a fast-paced retail setting. My problem-solving skills and flexibility make me ideal for dynamic temporary retail roles requiring efficient task management.

BRANDS WORKED WITH

- Social Foundations
- University of Oxford
- Opportunity oxford volunteer
- The Heathland School

Experience

● Lab Internship

University of Oxford | Mar 2024 - Apr 2024

- Performed a literature review on children's emotional development to establish a knowledge database for a new educational initiative by Ferrero. Performed under a tight deadline while ensuring a high quality of organised, creative, & thorough work
- Supported the development of a number of other research projects, including developing material, performing pilot studies and analysing data for these projects

● Cashier and Customer Service Representative

DC peri Peri | Aug 2021 - Sep 2022

Communicated effectively and handled customer transactions in a fast-paced environment.

● Student mentor

The Heathland School | Mar 2021 - Apr 2021

Volunteered to mentor A-level sociology students to develop active empathetic listening skills and problem-solving skills, identifying students' academic challenges and providing effective solutions.
