About

Versatile leader with extensive experience: developing new products, leading key projects. Track record of achieving sustained improvements in quality, cost and delivery functions. Adept at identifying issues, analysing risks and establishing corrective action plans. Specialist in womanswear, collection development through to production while also used to managing categories such as knitwear, accessories and menswear. Currently consulting for fashion companies needing to grow their business and successfully fulfil wholesale orders. Demonstrating how to manage the production process, training teams, providing systems, structures, introducing critical paths. Sourcing manufacturers, streamlining collection development, managing fitting, quality control and delivery. Providing longterm structures to manage further growth. Currently looking for new clients and/or a permanent contract.

BRANDS WORKED WITH

- JW Anderson
- Mary Katrantzou
- Roland Mouret
- SsōNe
- Stella McCartney

Experience

● Head of Product

SsōNe | Nov 2019 - May 2022

Freelance project management - overseeing development and production for new Sustainable womanswear brand

● Product Development Manager Menswear

Stella McCartney | Oct 2018 - Aug 2019

Managed the Menswear design team to deliver seasonal collections.

● Head of Production

Mary Katrantzou | Aug 2015 - Jun 2018

● Production Consultant/ Product Director

| Apr 2011 - Jun 2015
