About

Personal Statement

I pride myself in exhibiting strong problem-solving skills, possessing comprehensive knowledge of garments, having strong leadership skills, utilising customer feedback to drive quality improvements, in-depth knowledge of fabrics, garment types and decoration techniques. Also have a Bachelor's of Honours degree in Fashion Design with Foundation Year and a Level 3 Extended Diploma in Fashion and Clothing. Currently, fully flexible in terms of work hours and can work at any day, including weekends.

- Working on the shop floor including recovery on sales.
- Handling customer's requests to provide them a good shopping experience.
- Working in the fitting room including sorting and grading stock.

● Work Experience

TJX Europe | Apr 2024 - Apr 2024

'Create your own store' task and sharing back our store ideas, which we then had to present our store ideas at the Celebration Day because we achieved innovative, ambitious store ideas.

Trash to treasure activity, where we had to create a new outfit using old T.K.Maxx textiles and then present our brand and what we stand for, in terms of sustainability.

Talked with buyers and vendor/buyer email tasks, to gain an insight of what a business administration role is like.

Security hub insight and shadowed on buyer's admin department.

Talked with logistics and priorities.

Education & Training

2024 - 2024 ● Harrow College

Entry Level 3, Customer Service

2024 - 2024 ● Prince's Trust
