English

## About

---

With a passion for fashion and customer satisfaction, I excel in retail environments. My experience as a Sales Assistant has honed my upselling skills and patience with global customers, including those who do not speak English fluently.

## Experience

---

- **Casual retail assistant**

Private | Jun 2023 - Mar 2024

I works as a retail assistant where I had the opportunity to speak to thousands of costumers from all over the globe. Some that's didn't even speak English which meant I had to be extremely patient. I also learnt how to upsale and get the best possible sale and provide the best possible customer care.
