## About

Self disciplined design student at London College of Fashion. Elisha is passionate about fashion and illustration. Coming from a mixed heritage, she aims to use her knowledge of culture and personal experiences to influence her career. She expands her knowledge in the creative arts using visual approaches while holding an interest in mathematics and science. She is constantly seeking to challenge herself mentally and physically. She devotes spare time to physical activity such as hip hop dance and has a keen interest in East Asian entertainment.
