Microbes Infra Full-Time   Wipro Technologies Full-Time   Sreenivasam Infotech

Experience

Senior Technical Project Manager (Remote)

Sreenivasam Infotech | Nov 2021 - Jul 2023

- As a Senior Technical Project Manager, collaborated with Project Managers, Leads, technical and testing teams during kickoff meetings and planning sessions to validate requirements and delivered both Network Infra & Cloud based projects end - end using SAFe Agile Methodologies that includes in decommissioning, migration and Automation Projects for our IT client in USA
- Outlined work plans, determined resources, wrote timelines, and generated sprints as part of project scope determination using MS Azure Board DevOps as a Project management tool.

Operations Manager

Bihl Vancouver | Jul 2012 - Mar 2017

Operations Manager
- Set, enforced, and optimized internal policies to maintain responsiveness to demands
thereby taking ownership of my company's entire Operations.
- Established positive and effective communication among unit staff and organization
leadership, reducing miscommunications, and missed deadlines.

Project Manager (Network Infrastructure)

Microbes Infra Full-Time | Sep 2018 - Oct 2021

Project Manager (Network Infrastructure)
- Identified plans and resources required to meet project goals and objectives.
- Managed and delivered Network (Site to Site) Migration projects from procurement to commission for my client's NOC & Data Center environment along with my team (both on-site & remote).
- Developed and initiated projects, managed costs, and monitored performance using MS Project.

Security Network Manager

Concord Security Full-Time | Oct 2009 - Mar 2011

Security Network Manager
- Managed Network Operating Center (NOC) technical infrastructure and server performance.
- Secured and connected private networks at multiple sites across interstate corporate WAN.
- Directed acquisition, installation and testing of network hardware.

Project Lead / Network Engineer

Wipro Technologies Full-Time | Sep 2006 - Jul 2008

Project Lead

- Planned, executed, and controlled assigned projects, ensuring work performed complied
with contractual requirements for my Client (MasterCard, Belgium)
using MS-Project.
- Maintained tactical control of project budgets and timelines to keep teams on task and

achieve schedule targets.
• Created the necessary network diagram based on the Project plan using MS VISIO 2003.
• Communicated to stakeholders, vendors, client and the solution team on project status
using customized presentations and detailed reports.

● System Administrator

I-Tech Services (P) Ltd., | Mar 2001 - Jul 2006

Systems Administrator
• Maintained LAN Networks using Active Directories, DHCP, DNS, Group Policies
• Installed L3 Networks using Linksys & Net link (Routers, Switches & Access Points) with
various clients on their new network implementation
• Performed software installations and upgrades Windows operating systems, maintained
Windows (2000) Exchange Servers
• Spearheaded inventory control measures to replenish and maintain IT equipment.
