Experience

● DEVELOPMENT PRODUCT MANAGER - Women's Leather Goods

Louis Vuitton | Jan 2021 - Jan 2022

Scope: Capucines and Twist animations

- Style accompaniment : organize kick-off meetings and transmit the brief elements to the model maker
- Follow-up of the realization of the models : support for craftsmen and prototypists
- Component development (new & permanent)
- Coordination of teams throughout the project (Sourcing materials, Marketing, Quality, Style,...)
- Ensure respect for upstream quality, deadlines and prices

● Product Development Manager

Louis Vuitton | Nov 2020 - Jan 2021

Scope : Fashion Show, Men's Pre-Collection

- Participation in launches with Design and mock-up sites
- Creation of BOMs in PLM and provision of materials
- Follow-up and reception of the models on the sites up to the showroom / VIRGIL ABLOH fashion show / Fall-Winter 2021/22 collection

● INDUSTRIALIZATION PROJECT MANAGER

Chloé | Jan 2018 - Jan 2019

Scope: Leather goods, small leather goods, metal parts... & It-bag Marcie

- Preparation and participation in technical meetings internally and at manufacturers (Italy/Spain)
- Responsible for the iconic Marcie bag and the new models of the line (Marcie bumbag, little Marcie, Marcie sheepskin & 10 years anniversary bag)
- Daily monitoring of manufacturers for the advancement of Industrialization
- Ensure compliance of seed heads, deadlines and prices

● Production assistant

Maje | Sep 2015 - Sep 2017

Scope : finished & custom Products

Delivery follow-up: sending a weekly pilot

Creation of monitoring tools between Maje and manufacturers

Ensure product quality, REACH

● RTW Trims Developer

LOEWE | Mar 2023 - Jul 2023

Scope: Fashion Show, Pre-Collection + 130 components developed

- Management and monitoring of component launches for two collections
- Sourcing and purchasing of materials
- Negotiation of purchase prices, lead times and order minimums
- Practical solutions and techniques
- Budget and planning management
