## About

As a Sales Associate at Selfridges, one of the world's leading department stores, I provide excellent customer service, product knowledge, and sales support to a diverse and high-end clientele. I have a high school diploma in humanities from Sacred Heart College, and I have developed skills in sales, retail replenishment, and retail through my current and past work experiences. Before joining Selfridges in July 2023, I worked as a waitress at Ping Pong Dim Sum, where I delivered fast and friendly service, and as a retail assistant at Sports Direct, where I assisted customers, stocked shelves, and handled transactions. I enjoy working in a dynamic and collaborative environment, where I can contribute to the success of the team and the organization. I am passionate about the retail industry, and I am always eager to learn new things and improve my skills. My goal is to pursue a career in retail management, where I can apply my expertise, creativity, and leadership skills.
