Organizer/Planner

PROM COMMITTEE | May 2022 - Jul 2022

In year 11, I chose to join my school's prom planning committee, and I was elected Head Planner. I was in charge of deciding the theme and order of the prom as well as maintaining a log of tickets sold. This was vital because food, beverages, activities, and so much more were all dependent on the number of people that were to be expected expecting.I was also in charge of creating the final design for the prom tickets.Which boosted sales giving students attending a bit of what was more to come.
