About

CLIENTS SINCE 2018 : J.M. WESTON, SESSUN, CHLOE, DAVID TOURNIAIRE, ROUJE, UNIQLO-COMPTOIR DES COTONNIERS, MAJE, BALZAC...

Trained at the "école des arts décoratifs" in Paris, I've worked in France and abroad for luxury (J.M. Weston, Chloé, Zimmermann, Lesage, Balenciaga), contemporary brands (Sessun, Maje, Rouje, American Vintage, Anthropology...) and Fast Fashion (Zara & Uniqlo) with vendors in Europe (Italy, Spain, France, Portugal...) and in Asia (China, Vietnam, India) since 2009.

For my clients, I usually manage the whole process of collection including design, technical development, and sourcing. Passionate by craftsmanship and know-how, I've worked for 2 years in a vietnamese factory as a designer and developer for an asian brand and international clients.
