## About

I excel in customer service and sales, with hands-on experience as a Sales Assistant and Till Operator. My skills include visual merchandising, problem-solving, and adapting quickly to new retail environments, passionate about providing exceptional service across high street categories.

### BRANDS WORKED WITH

- McKinsey & Company
- Boston Consulting Group
- Card Factory
- Pabulum
- Chase High School

## Experience

### ● BUSINESS ANYLIST

McKinsey & Company | Apr 2024 - Apr 2024

- I learnt how to work with a team in a professional setting exercising communication, initiative and origination to deliver an engaging presentation on solutions to a problem.

### ● BUSINESS ANYLIST

Boston Consulting Group | Apr 2024 - Apr 2024

- I learnt to network with peers, use critical thinking skills and Microsoft excel to analyse and structure problems and come up with solutions within a team. Within the team I demonstrated leadership and initiative when tackling challenging problems.

### ● SEASONAL SALES ASSISTANT

Card Factory | Nov 2023 - Dec 2023

- Providing excellent service to a wide range of customers.
- Taking the initiative to introduce solutions to problems when undertaking work with a smile.

### ● TILL OPERATOR

Pabulum | Oct 2023 - Now

- Providing excellent service to the customers at my school
- Learning about food safety and hygiene and building good relationships with customers.
- Learning the importance of visual merchandising

### ● INFLUENCER

| Sep 2023 - Now

- Building and educative brand with 8.3k followers and helping students to do well in their exams as well as starting a podcast and learning how to interview and do in depth research on particular topics. Podcasting has also taught me to be adaptable in new environments and to learn quickly as I'm becoming literate in Adobe creative software

WORK EXPERIENCE

### ● TEACHING ASSISTANT

Chase High School | Jun 2023 - Jul 2023

- I helped to deliver lessons and organise shelves. I learnt more on how to have a high EQ and be adaptable in fast paced environments.
