About

I'm keen to bring my quick adaptability and dedication to learning to the retail sector. Experienced in greeting, cash handling, and store operations, I thrive in boutique environments and am eager for new challenges in high street retail.

A highly motivated individual, who has completed their GCSEs and is completing a BTEC Extended Certificate in Health and Social Care. Seeking part-time employment to develop and gain valuable skills for the future. I am a confident and positive individual who thrives to gain more knowledge, always seeking to improve. I am a confident and positive individual who thrives to gain more knowledge, always seeking to improve and be the best version of myself. I'm extremely focused and have a self motivated will to do attitude which would be an asset for any business. I enjoy learning new things and I'm always keen to seek more information.

I am an individual with a growth mindset, methodical and ethical approach to working and a strong willingness to learn and develop skills and attribute in a working environment. Eventual career goal is to become fully qualified and experienced to work in a health and social care setting.
