Experience

● Interior design Intern

Assael Architecture | Nov 2023 - Nov 2023

During my placement within the London Assael Architecture office, I worked alongside the Interiors' team, assisting with current projects within the residential sector. Learning 2 new softwares, Sketch-up and Vectorworks, to design and bring to life the main reception room for a live project based in South of France. The design outcome was then included in the package for the following client meeting.

● Beauty advisor

SPACENK | Jul 2023 - Dec 2023

As a Beauty Advisor at SpaceNK, I provided personalised beauty advice, exceeded sales targets, and built strong customer relationships. I managed stock, ensured store visual appeal, conducted product demonstrations, and collaborated with the team, resulting in an extended tenure for outstanding performance.

● Interior design Intern

Crittall Interiors | May 2022 - Oct 2023

Contributing to all stages of luxury residential design, from concept to completion. Responsibilities include developing design concepts, selecting materials, and maintaining client communication. Coordinating with suppliers, producing detailed drawings, creating FF&E specifications. Overseeing on site implementation and collaborating with contractors. Additionally, curating a monthly blog with articles, project showcases, design tips, and trend insights to engage the community.

● Chalet host

AllAtSki | Oct 2019 - Mar 2020

As a Chalet Host, I provided exceptional guest services, including culinary preparation, housekeeping, and concierge services. I collaborated closely with team members to ensure smooth operations and maintained inventory to ensure guest satisfaction.
