About

I am a recent graduate from the University of Winchester. I studied media advertising and communication. Skilled in the production of high-quality design concepts and strategies with the ability to utilise Photoshop, Illustrator, Premiere pro, and other Adobe Creative Suite for the successful creation of new ideas, development of interactive designs and redefinition of design briefs.

BRANDS WORKED WITH

Branxel Milieu

University of Winchester

Experience

● Web design intern

University of Winchester | Aug 2021 - Oct 2021

Helped with the update of the University website.

- Worked on social media to research trending content.
- Ensured designs were implemented accurately and with the highest standard.
