Experience

● Customer Service Assistant

Mayhem Paintball Centre | Aug 2021 - Aug 2021

(This was for school work experience.) at Mayhem Paintball Centre. It taught me how to deal with customers using my communication skills, I issued customers paintball safety equipment and clothing, I also helped customers with their activities to ensure their safety. When the customers gave me back the safety equipment I made sure that it was washed and cleaned ready for the next session. I worked well within a small team but also was left to work alone. I felt that I was given responsibility for the safety of the service users this has encouraged me to seek employment within your company as I feel that I would be an asset to your team.
