About

With a successful stint as a Sales Manager at Inside Success Union C.I.C, I've honed my skills in direct sales and customer engagement, consistently surpassing targets. My adaptability shines in dynamic retail settings, making me an asset in achieving sales excellence and fostering positive customer experiences.

Experience

- **Salesman**

Inside Success Union C.I.C | Oct 2022 - Nov 2022

As a salesman for inside success, I had to sell courses and magazines to people on the street and talk to them about what our company did and how we try make change occur. As a salesman, I had to reach a certain amount of ticks (sale target) on my first day, the target was 17 and I got 29.
