Experience

● Team Member

Greggs-South East London | Jan 2022 - Sep 2023

I have also worked in the well known british bakery chain Greggs. This 1 year and half experience for me was something I will never forget and it was such an amazing opportunity. From the high paced customer service to the freshly baked food.

● Student

Allied healthcare mentor-London | Jun 2021 - Nov 2021

This is a 6 months programme where I will be gaining knowledge and understanding on what happens to patients that have different conditions and illnesses. This is one of the first live virtual nhs healthcare careers work experience programme. So far I have enjoyed it and learnt quite a lot during the first session. It has even made me want to do my own research.
