About

Need to upgrade your business? I can help you with that

My name is Syed, I'm a top-level Digital Marketer who has helped dozens of businesses get to another level of performance by implementing the best marketing strategies in the world. Whether you need advice for your business or a full shaping and execution of your marketing, I'll deliver the best results.

If you want your business to:

- Have the best marketing strategies used by major enterprises
- Use efficient processes for its workflows
- Have the top technological solutions available
- Rely on a well-structured CRM
- Develop a competitive position

My skills and experience are your solutions. I can help your business to optimize and streamline each stage of its sales funnel and pipelines, to deliver the best results in less amount of time.

My areas of expertise include:

- ✓ CRM
- ✓ Sales funnels and pipelines
- ✓ Market planning and research
- ✓ Rapport building
- ✓ Email Marketing
- ✓ Social Media Marketing (Facebook Ads, Instagram Ads)
- ✓ SMS Marketing
- ✓ Brand Development
- ✓ Websites Development (WordPress, Wix)
- ✓ Ecommerce Stores Development (Shopify, Bigcommerce, Magento and more)
- ✓ Messenger Marketing (ManyChat)

My background:

- Worked for several high-profile businesses in managerial positions
- Hundreds of happy clients have experienced an increase in their ROI because of my services

The software I use:

- ✓ Klaviyo ✓ InfusionSoft/Keap ✓ HubSpot ✓ ActiveCampaign ✓ Memberium ✓ WordPress ✓ Zapier ✓ Shopify ✓ Bigcommerce ✓ Magento ✓ Wix ✓ Omnisend ✓ SMSBump ✓ ManyChat and more.

If you want to work with somebody who always puts its clients in the first place, and has a proactive winning mentality, I fit that profile. Don't hesitate to click that contact button and I'll reply to you as soon as possible so we can start working on reaching those goals.

Let me know what is the best time to talk to you and let's discuss
