## About

As a current student pursuing a Public Health course, I am driven, motivated, and passionate about serving in roles that enhance my confidence and propel my growth. I actively seek challenging opportunities that push me to achieve targets while fostering my personal development. Thriving in dynamic, customer-facing environments, I excel in problem-solving and enjoy interacting with diverse individuals. I am a hardworking, quick learner eager to gain practical experience and make meaningful contributions.

### BRANDS WORKED WITH

Featherstone High School

Featherstone Primary school

Richo

The Open Kitchen

Virtual Allied healthcare programme

## Experience

### ● Volunteer Worker

The Open Kitchen | Jun 2020 - Oct 2021

- Provided physical and emotional support to elderly residents, improving community integration and quality of life.
- Met with programme participants to better understand needs and offer personalised support.
- Supported community outreach efforts to bring in new volunteers and individuals needing assistance.

### ● Assistant Worker

Richo | Aug 2020 - Oct 2020

- Logging in damaged/faulty printers and requesting them to be on service. This role has enabled me to work rapidly and maintain excellent customer service.. Generated accurate paperwork and reports detailing, repair, service and customer inquiries to maintain high quality documentation.

### ● Reading Mentor

Featherstone Primary school | Mar 2018 - Jun 2018

### ● Exam invigilator

Featherstone High School | Sep 2022 - Jul 2023

- Managed the examination process, demonstrating adept interpersonal and communication skills in effectively managing and supporting students during examinations.
- Conducted meticulous roll calls to track and monitor attendance, proficiently recording punctuality and absences to ensure accurate reporting and policy adherence.
- Implemented and facilitated the adoption of new policies and updates, showcasing change management expertise to ensure a seamless transition for students and school staff.
